SUMMARY

Hi, I'm Cailin Kuhn, a versatile designer passionate about using human-centered design and storytelling to create engaging, meaningful experiences. I thrive in collaborative, fast-paced environments where design, technology, and narrative elements come together.

WORK EXPERIENCE

USHER SUPERVISOR, Rochester Institute of Technology / Dec 2025 - Present

- Supervised student staff during arena operations, maintaining high standards during events.
- Managed arena setup and breakdown for hockey games and special events.
- Delivered a positive guest experience by maintaining a safe environment and quickly resolving issues.

USHER, Rochester Institute of Technology / Sep 2023 - Dec 2025

- Directed guests to correct location and answered questions about facility amenities.
- Actively monitored crowd control during large gatherings.
- Performed light cleaning tasks such as sweeping floors and wiping down seating areas.

PRINT SHOP INTERN, Pepsi-Cola Bottling Company Of New York, Inc. / Jun 2025 - Aug 2025

- Responsible for designing custom graphics and promotional materials based on sales reps' requests.
- Collaborated closely with print staff and reps to ensure output matches the client's needs.
- Headed a project to develop branding for each individual facility and their sales territories.
